SRILANKAN AIRLINES LIMITED
Ravihansa Suraweera
Facilities Manager (Civil)

SriLankan
INSTRUCTIONS TO BIDDERS

1. The contractor bidding shall be satisfied with the information provided in the BOQ and drawings provided. If required contractor could visit the site and inspect the work to be done. Also, if required could send an e-mail and obtain any missing information.
2. The contractor shall quote, meeting specifications with the intention of delivering a quality job. For any extra work items (outside items specified in BOQ) approval of rates shall be obtained in writing prior to commencement of extra works. Failing same adjustments to rates will be done without consultation.
3. Since SriLankan premises is a security restricted area you may have to be ready with Police reports, Gramasevaka reports certified by AGA and two photographs to obtain entry passes for workman and drivers when submitting quotations for the job.
4. The equipment, fittings and fixtures supplied shall have minimum **two years** warranty unless otherwise specifically stated in the BOQ which will overrule. The period of Defect Notification is **365 Days** from taking Over.
5. The contractor shall make every endeavour to keep the working premises clean and tidy. Within two weeks after practical completion, debris and balance material shall be removed from the site. Any materials or saleable debris belongs to SriLankan Airlines Ltd shall be transferred to the SriLankan dumping yard. Please built in the above said cleaning, clearing and transfer cost to the BOQ if not specifically requested. In the event failure to remove balance material and debris within two weeks after completion of works cost of removal and penalty will be charged.
6. Please note that you could submit the offers on or before quotation closing time and date by email to secure email address ulpropbids@srilankan.com .
7. Intended Completion Date is **63 Days** from Start date. The contractor shall commence the work within 10 days from the date of Purchasing Order (PO) (on or before)
8. Amount Of Liquidated Damages 0.05% Of Initial contract price Per Day., Subjected to maximum of 10% of Initial contract price.
9. The retention from each payment shall be 10% of certified work done, as per the Interim Certificate. The maximum amount of retention is 5% of Initial Contract Price.
10. This project is **Not subjected** to the price adjustment

11. The employer shall make advance payment to the contractor (**if required**) in an amount equivalent to 20% of the initial contract price excluding provisional sums and contingencies, after furnishing followings an unconditional advance guarantee accordance with CIDA format by a bank to the employer. The guarantee shall remain effective until the advance payment has been repaid, but the amount of the guarantee shall be progressively reduced by the amounts repaid by the contractor. Interest will not be charged on the advance payment, and bidder should bear the cost for the guarantee.
12. An unconditional performance guarantee (5% from initial contract sum) is required accordance with CIDA format by a bank or any other Agency operating in Sri Lanka approved by the Central Bank of Sri Lanka to the employer. The guarantee shall remain effective until the completion of the work. **Bidder should bear the cost for the guarantee.**
13. To be eligible for contract award, the successful bidder should have an accredited local agent of the particular product (for minimum 1 year period) and should have **05 years'** experience for pump installation within the Sri Lanka and **03 Number** of similar completed projects during **last three years**. Others will be disqualified.
14. Duty free facility is available for this project (excluding items restricted by the BOI). Cost of clearing the goods, documentation, loading and transportation to BOI, BOI clearance, transportation to site an unloading at site shall be attended by bidder and rate to be included in your quote in respective items if you are quoting duty free basis.
